# GUEST PROGRAM *Contd.*

## SATURDAY FEB 14TH

### STROLL THE STREETS OF OLD TOWN

Come see where the Old West meets the New West. Downtown Scottsdale is the ultimate destination for visitors and residents alike to enjoy art galleries, specialty retail, dining venues that range from casual to upscale, southwestern cultural attractions and an extraordinary nightlife. Cowboy, Scotty-Scottsdale, will welcome you to Old Town at the corner of Main St & Scottsdale Rd. You could find a hand full of top art galleries a stone's throw from the intersection of Main St. & Marshall Way. Unique specialty retail shops can be found around the 5th Avenue area. The Marshall Way Bridge at 7124 E. Stetson Dr. is a good place to start walking around, looking around. Don't forget, Scottsdale Fashion Square is one of the best malls in the country.

**COST** \$15 per person for transportation only

**TIME** Leave the Hotel at 10:00 a.m. and 12:00 p.m.  
Return to hotel at 1:00 p.m. or 3:00 p.m.

## SATURDAY FEB 14TH

### HOT AIR BALLOON RIDE

Greet the rising sun as it paints the landscape with wonderful colors - an experience you'll never forget! Treat yourself to a hot air balloon ride over the beautiful Sonoran desert... There are few pleasures as unforgettable as drifting gently over breathtaking vistas in an open gondola. The vast Desert Preserve area we fly over and the ideal Arizona weather make it the perfect environment for hot air ballooning. Your balloon will do some contour flying, floating above the top of the saguaro cactus and down through the washes. This will give you the opportunity to look over the edge of the basket for the viewing of wildlife.

Your pilot will also go higher to give you a marvelous overview of the valley and it's surrounding lakes, mountains and countryside. How high will depend on the winds of the day as that is how they navigate the balloon. You should wear anything comfortable! It does not get colder when we fly, so what is suitable on the ground is just fine in the air. Jeans and sneakers are recommended. Hats provide useful insulation from the balloons heat.

Bringing a camera is a definite must! Ballooning affords spectacular vistas for photography and camcording. Consider using a zoom lens or a panoramic camera for even more camera possibilities. Your pilot and crew will also be glad to take pictures of you, before take-off as well as in the air. Don't hesitate to ask!

**COST** \$275 Adults  
Children (5-12) \$210. Under 5yrs not allowed

**TIME** Leave hotel at 6:20 a.m. Return to hotel around 10:00 a.m. Price includes Balloon ride, transportation to and back to hotel and an after flight snack.

## SATURDAY FEB 14TH

### HORSEBACK RIDING

Your trip to the Valley of the Sun will be a memory you will never forget! You will leave the city behind and enjoy the peaceful, scenic Sonoran Desert on one of our many horses. We are proud of our gentle and friendly herd. We are devoted to our horses and ensure that each one is at its top condition.

Be sure to tell our wranglers how much riding experience you have and they will choose a horse you will enjoy based on your riding ability. Even if you have never ridden a horse before, we have the right mount for you! After you are mounted, your guide will lead you down scenic trails with endless views of saguaros and desert wildlife. To the east you will see the McDowell Mountains and Camelback Mountain to the south. We recommend you wear closed toed shoes/ boots and jeans. Why jeans do you ask, in ARIZONA? The reason we recommend jeans is because our desert is still in its natural state with brush and cacti along the trails as well as that notorious Arizona sun. Jeans will protect your legs from the elements during the winter and summer months.

Backpacks, Camelbaks, purses, fanny packs, camera cases, or large cameras with a strap will NOT be allowed on the ride for your safety. You will only need a bottle of water (holders are on the saddle) and a SMALL, pocket sized, camera.

**COST** 1 Hour Trail Ride: \$80.00 Adults/\$75 Children under 12. Allow 2 hrs.  
2 Hour Trail Ride: \$110.00 Adults/\$100 Children under 12. Allow 3 Hours  
Price includes transportation, tax and gratuity

**TIME** Leave the Hotel at 10:00 a.m. and return at Noon from 1 hour ride and at 1:00 for the 2 hour ride.

## SUNDAY FEB 15TH

### DESERT BOTANICAL GARDEN

For more than 70 years, the Desert Botanical Garden has been teaching and inspiring visitors from the local community and around the world, providing research, exhibits and more, designed to help us understand, protect and preserve the desert's natural beauty. Today, the Garden features:

- 140 acres
- 55 acres under cultivation
- 50,000+ plant displays showcased in beautiful outdoor exhibits
- 1 of only 24 botanical gardens accredited by the American Alliance of Museums (formerly American Association of Museums)
- Desert Discovery Tour / 1 Hour Tour / Minimum of 10 guests

Take the Garden's main trail and learn the unique characteristics of desert plants from around the world. The loop trail features outstanding displays and exhibits including the Sybil B. Harrington Cactus and Succulent Galleries and the Berlin Agave Yucca Forest. This tour focuses on desert plant biology where you can explore the great diversity of form, texture and color found in this wondrous array of cacti and succulents from around the world. You will also learn how desert plants are uniquely adapted to survive and thrive in a harsh desert environment.

**COST** \$60 per person  
Price includes transportation to and from the hotel. Once the tour is over you may stay and enjoy the gardens until it is time to return to the hotel. Need 10 minimum.

**TIME** Allow 3 – 4 hours. Leave Hotel at 10:00 a.m. and Return to hotel at 2:00 p.m.

Most of the Arabic star names we know today can be traced back to the treatises of al-Sufi, a Persian astronomer of the 10<sup>th</sup> century who wrote in Arabic. His *Book of Constellations of the Fixed Stars* built on Ptolemy's second-century *Almagest*. This plate is a 15th-century interpretation of al-Sufi's constellations of Centaurus and Leo. It is one of many examples demonstrating the intellectual heritage developed and preserved by Muslims and later passed on to Europe.

# WHEN YOUR PATIENT'S NECK IS ON THE LINE - DESIGN MATTERS

## SELF-EXPANDING STENT GRAFTS AT TIME OF IMPLANT      CHANGE OVER TIME

Chronic outward force from the stent, combined with blood pressure, can result in neck dilatation and may compromise seal.<sup>1,2,3</sup>

## OVATION PRIME STENT GRAFT SYSTEM NO CHANGE OVER TIME

Sealing ring creates no chronic outward force and insulates the neck from blood pressure, resulting in no neck dilatation.<sup>4</sup>

## THE OVATION PRIME SYSTEM PROTECTS THE NECK

Patients treated with the Ovation system had no late Type I endoleaks at 3 years.<sup>5</sup>
