SAMS 24th International Conference

June 27-29, 2026

Aleppo, Syria

Dear Sponsor:

On behalf of the Syrian American Medical Society (SAMS), we are pleased to invite you to become a sponsor of our upcoming SAMS 24th International Conference.

The conference will be held at the Faculty of Medicine at the University of Aleppo from June 27-29, 2026.

This three-day event will bring together leaders in medicine, public health, and humanitarian work. The program will also include a formal gala dinner on Saturday evening, June 27, 2026.

The theme of this year's conference, **“Transforming Health, Restoring Hope: Collaborative Paths to Quality and Sustainable Care in Syria,”** reflects our commitment to strengthening healthcare systems through innovation, partnership, and evidence-based practice. Our distinguished guest speakers and honorees include leading experts from the medical and humanitarian communities.

Conference attendees will include Syrian American healthcare professionals, their families, community and business leaders, and entrepreneurs. We anticipate welcoming more than 400 guests in person, with extended reach to tens of thousands through our social media platforms.

SAMS is a 501(c)(3) nonpolitical, nonreligious medical and humanitarian nonprofit organization founded in 1998. Today, SAMS represents more than 750 Syrian American healthcare professionals and maintains 18 active chapters across the United States.

We would be honored to partner with you in making this conference a success and would welcome the opportunity to discuss sponsorship opportunities further.
